Guaranteed* On Campus Accommodation	We strongly recommend that students choose to live on campus. Trying to find decent, affordable accommodation in Sydney is <u>highly competitive</u> , especially in summertime (December-February), when thousands of backpackers and long-stayers arrive at Sydney's beaches. Living at UTS Housing will provide a stress-free, fun and supported study environment for students, just a few minutes from class. All in the sizzle and centre of the city and the beach is only a short bus ride away. UTS's housing mission is to be <i>25% cheaper than similar housing options in Sydney</i> . Exchange and Study Abroad Students are the <u>only</u> group of UTS students who can
