Request for exemption from studying a course

Course name _______________________
Course number _______________________
Faculty Technion International
Student Name _______________________
Student number _______________________

A. Student request (submit at undergraduate secretariat).

I request an exemption from studying the above mentioned course from the following reason (add relevant documents):
_________________________________________________________________________
_________________________________________________________________________
_________________________________________________________________________
_________________________________________________________________________
_________________________________________________________________________
_________________________________________________________________________
_________________________________________________________________________

Signature/חתימה ______________________ Date/תאריך ______________________

B. Instructions from the faculty to the teacher of the course:

_________________________________________________________________________
_________________________________________________________________________
_________________________________________________________________________
_________________________________________________________________________
_________________________________________________________________________
_________________________________________________________________________
_________________________________________________________________________

תאריך: ______________________ שם: ______________________
חתימה: ______________________

C. The teacher's recommendation (forwarded to the faculty):

I have checked the student's records in the course and recommend:
☐ to exempt the student from the course
☐ not to exempt the student from the course

Please mark the courses in which exemption is allowed.
