

Technion Gap Year Program

Spend 10 months living, studying, and volunteering at one of the world's leading institutes for Innovation in Science & Technology

10-MONTH
PROGRAM

Gap Year at Technion offers high school graduates a program combining academic study with leadership development, Jewish studies (optional), volunteering, a rich cultural experience and unforgettable discovery tours.

Think about the world's future.
Think about your future.
Think Technion.

Academic Program

We offer basic science and engineering courses, tailored for students who are considering a degree track in Engineering & Science.

Jewish Studies - Optional

Optional Jewish studies are offered throughout the year. Led by Technion Rabbi, Dr. Elad Dokow, topics include Jewish classical studies (Talmud, Bible, and Jewish Thought) and Jewish identity in the 21st century.

Volunteer Program

Technion's Gap Year includes volunteer work during spring semester break and once a week throughout the academic year. Students enjoy enriching cultural activities and trips around Israel.

** Opening of the program is contingent on the number of registered students.*

Fees:

\$20,000**

*** Includes: Tuition, Campus fees, Accommodation, Volunteer Program, Trips & Social activities, and Health Insurance. All fees are in US dollars.*
