Call for applicants for a summer internship at Horiba-Japan (Kyoto)

We are happy to update you concerning an internship opportunity at Horiba Ltd - Japan.

About HORIBA

The HORIBA Group of worldwide companies provides an extensive array of instruments and systems for applications ranging from automotive R&D, process and environmental monitoring, in-vitro medical diagnostics, semiconductor manufacturing and metrology, to a broad range of scientific R&D and QC measurements. Horiba focuses on social responsibilities by building state-of-the-art products for scientific advancement; especially for protecting health, safety, and the environment.

HORIBA is offering one internship position for undergraduate students in their 3rd year of studies in the following fields: Engineering, Medicine, Mathematics, Biology, Physics, Computer Science and Chemistry.

The position is available for a duration of a minimum 2 months up to 4 months.

Between June to September 2017.

Payment

Technion Japan association will pay Half of the round trip ticket.

In addition, Horiba Ltd will pay a daily allowance of 6,500 yen to the student.

Living

Technion Japan Association will subsidize 50,000 yen per month.

*The student must acquire necessary entry qualification to Japan, with assistance of Horiba Ltd and Technion Japan Association

*The student must acquire health/accident insurance

Commuting

HORIBA Ltd will pay for public transportation between HORIBA and the student's residence.

Application requirements:

1. Only undergraduate students in their 3rd year of studies may apply
2. Updated transcript in English
3. A letter of motivation in English
4. An interview in English

Application deadline: April 15th, 2017
