</table>
| 8:30-9:30      |            | Physics Lab. 1  
Physics room 401E | Numerical Analysis M |
| 9:30-10:30     |            |            |             | Solid Mechanics 2 |
| 10:30-11:30    |            |            | Introduction to Engineering Drawing |
| 11:30-12:30    | Thermodynamics 1  
Physics room 401E |            |             | Introduction to Engineering Drawing |
| 12:30-13:30    |            |            |             | Solid Mechanics 2 TA |
| 13:30-14:30    | Partial Differential Equations /M  
Physics Lab. 1  
Physics room 401E |            |             |               |
| 14:30-15:30    |            |            | Archaeology of Israel  
Politics of Identities: A Multicultural Perspective on Israeli Society |
| 15:30-16:30    | Numerical Analysis M TA  
Thermodynamics 1 TA |            |             |               |
| 16:30-17:30    | Computer Based Engineering Drawing  
TA  
Computer Class |            | Computer Based Engineering Drawing  
TA  
Computer Class |
| 17:30-18:30    |            |            |               |               |
| 18:30-19:30    | Computer Based Engineering Drawing  
TA  
Computer Class |            |               |               |
| 19:30-20:30    |            |            |               |               |

* Computer Based Engineering Drawing TA - There will be 2 groups. The division into groups will be sent soon

** Physics Lab. 1 - There will be 2 groups. The division into groups will be sent soon
